

"We want to change the story of Ethiopia."

Team Tesfa

www.tesfa.org

It's a competitive club, running against some of the strongest up-and-coming athletes in Ethiopia. But it's much more:

- **The Teen Program**
Providing safe housing and education for vulnerable teenage girl athletes
- **The Transitions Charity Project**
Graduates from the teen program create their own charity
- **Education**
Making secondary diplomas and vocational skills a priority for athletes
- **The *Gorumsa* Project**
Team Tesfa men reach out to street teens
- **Athlete Scholarships**
Temporary support for athletes in challenging circumstances
- **The Team Tesfa Cafe**
Athletes learn business skills in a cooperative team-run cafe
